

GATOR INFLATOR BASIC

Tire inflator analog

Article number	9-149973 (psi & bar) 9-149974 (bar)
Quality standard	Compliant with DIN EN 12645
Pressure gauge	Analog pressure gauge (Tire pressure can also be read without compressor connection)
Pressure gauge display accuracy	Values according to DIN EN 12645 $pm \leq 4 \text{ bar (58,01 psi)}$: $\pm 0,08 \text{ bar (1,16 psi)}$ $4 \text{ bar (58,01 psi)} < pm \leq 10 \text{ bar (145,04 psi)}$: $\pm 0,16 \text{ bar (2,32 psi)}$ $pm > 10 \text{ bar (145,03 psi)}$: $\pm 0,25 \text{ bar (3,63 psi)}$
Pressure gauge measuring range	0,35 - 12 bar / 5 - 170 psi
Maximum pressure	12 bar / 170 psi
Temperature range	-10°C to +40°C
Weight	618 g (with hose)
Hose	Sturdy air hose, 1 m long
Connector	Versatile clip-on air chuck

ALLIGATOR is a strong brand of WEGMANN automotive.
