

TYRE MOUNTING PASTE

Runflat

- **For runflat tyres & sporty vehicles**
Extra high lubricity.
- **Simple (dis)assembly of the tyres.**
Reduced effort and time required.
- **Firm tyre fit**
Tyre migration is prevented by frictional connection between rim and tyre.

Article number	3404-0023-093
Color	Blue
Content	5 kg
Packaging	Bucket
Lubricity	Very high
Drying behavior	Slow drying (ideal for parallel processing of tyres)
Viscosity	Universal
Application	Moderate brush pick-up; easy to dose & apply.
Yield	Approx. 400 tyres
Application temperature	-15 to +50°C
Environmental compatibility	Biodegradable Vegan Chemically neutral towards rubber, steel & aluminum
Vehicle type	
Area of use	Runflat tyres & sporty vehicles
