

IT'S A MATCH -

Always the right product for your tire change.

Veitshöchheim, 02.04.2024

Does changing tires stress you out? Are you looking for perfectly fitting products that simply work and save time and hassle? Then all you have to say is: IT'S A MATCH! In its new "IT'S A MATCH" campaign, WEGMANN automotive brings together what belongs together and presents its highlight products for smooth and efficient tire changes.

Are you already familiar with the HOFMANN POWER WEIGHT, ALLIGATOR and Perfect EQUIPMENT products?

From precisely fitting balancing weights to easy-to-fit valves and automotive chemicals, WEGMANN automotive's product brands offer everything you need for a successful tire change. The products are not only high-quality and reliable, but also easy to use and specially designed to make your tire change as simple as possible. Time to get to know each other! You can find all products in [well-stocked specialist shops](#) and in the [B2B Partner Shop online](#).

Type 355 2.0 - The roll for life

Simply off the roll: always the right grammage, robust and supple and can be removed without leaving any residue. The [HOFMANN POWER WEIGHT](#) adhesive weight roll type 355 2.0 is the workshop swarm among the rolls - less searching, less cutting, but a significant time saving.

CVV - A valve to fall in love with

The combined rubber-metal valve combines the advantages of the simple manual assembly of a rubber valve with the pressure resistance of a metal valve. And when it's time to disconnect? Easy - thanks to the clever predetermined breaking point, the valves can be removed effortlessly. Quick in, quick out - with [ALLIGATOR transporter valves](#), assembly and disassembly is child's play.

Mounting paste - for a firm bond

Save time and energy and use the transparent [mounting paste PRO from Perfect EQUIPMENT](#) for easy tire mounting and a firm tire fit. Transparent drying, easy to apply and economical to use thanks to its effective formula. Brush in and see for yourself!
