

## NEW TIRE INFLATORS FROM ALLIGATOR

### A must-have for daily workshop use.

Veitshöchheim, 27.08.2024

Attention garages: ALLIGATOR launches new tire inflators on the market. The Gator Inflator Basic models combine precise performance, robustness and efficiency, making them ideal for everyday use in the workshop.

THE BASIC SERIES COMPRISES [THREE MODELS - TWO ANALOG AND ONE DIGITAL DEVICE](#):

- GATOR INFLATOR BASIC DIGITAL 9-149972
- GATOR INFLATOR BASIC (BAR) 9-149974
- GATOR INFLATOR BASIC ANALOG (PSI & BAR) 9-149973

All models are supplied with a robust compressed air hose of one meter in length and are designed for intensive daily use.

#### PRECISE MEASUREMENT RESULTS

The high-quality pressure gauge and the precisely functioning operating lever always ensure precise measurement results. With a reading accuracy of 0.01 bar, the device is also ideal for TPMS (tire pressure monitoring systems).

#### ROBUST AND RELIABLE

In proven ALLIGATOR quality, the new tire inflator impresses with its solid workmanship. The rubberized pressure gauge and non-slip handle ensure a long service life and reliability, even under demanding conditions.

#### PRACTICAL HANDLING

The simple, one-handed operation and the integrated suspension device for quick storage make the GATOR INFLATOR BASIC particularly user-friendly. The tire pressure can also be read without connecting a compressor. This significantly increases flexibility and efficiency in daily use.

#### HIGH FILLING SPEED

For efficient and fast work day after day. The Basic tire inflators allow you to save valuable time every day thanks to the high inflation speed.

## AVAILABLE NOW

The new Basic tire inflators from ALLIGATOR are now available. All information and products can be found in well-stocked specialist shops or [online in the WEGMANN automotive B2B Partner Shop](#).
