

## ALLIGATOR DIAGNOSTIC DEVICES

Bartec Tech 600

ALLIGATOR part number	9-590923
Provider	Bartec
Device	Tech 600
Design	Handy, robust
Dimensions & Weight	Dimensions: 187x107x47 mm, Weight: 375g
Languages	Available in 21+ languages
Finish	Rubberised
Application	Professional device
Menu navigation	Familiar Bartec menu navigation

ProgrammingALLIGATOR sensors as well as all current sensor manufacturers, copying of sensors, creation of IDsDisplayRelevant sensor data: • Pressure • Battery status • Temperature • ID • FrequencyReading of remote keys-WI-FI / BLUETOOTH✓UpdatesWirelessProgramming processOBD teach-in, automatic teach-in, manual teach-inDisplay & Size2.8" colour displayOBDII Module✓Bundles✓Bundles✓Bundle content24 x ALLIGATOR sensors & valvesBundle part number9-590940FunctionalityMultiple programming of several sensors simultaneously, wall mount with integrated Qi inductive charging function + integrated mount for the BT OBD II module, one-handed operation for right-handed/left- handed users, Bluetoth OBD programming module, status LED + buzzer in BT OBDII module - buzzer warns about loss of BT OBDII module in vehicleAccessoriesOBDII module, docking station, mains plug, USB cablePackagingCloth bagServiceALLIGATOR Service-HotlineUpdate support1 year free of charge

Bundle content24 x ALLIGATOR sensors & valvesBundle part number9-590940FunctionalityMultiple programming of several sensors simultaneously, wall mount with integrated Qi inductive charging function + integrated mount for the BT OBD II module, one-handed operation for right-handed/left- handed users, Bluetooth OBD programming module, status LED + buzzer in BT OBDII module - buzzer warns about loss of BT OBDII moduleAccessoriesOBDII module, docking station, mains plug, USB cablePackagingCloth bagServiceALLIGATOR Service-HotlineUpdate support1 year free of charge	OBDII Module	✓
Bundle part number9-590940FunctionalityMultiple programming of several sensors simultaneously, wall mount with integrated Qi inductive charging function + integrated mount for the BT OBD II module, one-handed operation for right-handed/left- handed users, Bluetooth OBD programming module, status LED + buzzer in BT OBDII module - buzzer warns about loss of BT OBDII moduleAccessoriesOBDII module, docking station, mains plug, USB cablePackagingCloth bagServiceALLIGATOR Service-HotlineUpdate supportI year free of charge	Bundles	✓
FunctionalityMultiple programming of several sensors simultaneously, wall mount with integrated Qi inductive charging function + integrated mount for the BT OBD II module, one-handed operation for right-handed/left- handed users, Bluetooth OBD programming module, status LED + buzzer in BT OBDII module - buzzer warns about loss of BT OBDII module in vehicleAccessoriesOBDII module, docking station, mains plug, USB cablePackagingCloth bagServiceALLIGATOR Service-HotlineUpdate support1 year free of charge		
sensors simultaneously, wall mount with integrated Qi inductive charging function + integrated mount for the BT OBD II module, one-handed operation for right-handed/left- handed users, Bluetooth OBD programming module, status LED + buzzer in BT OBDII module - buzzer warns about loss of BT OBDII module in vehicleAccessoriesOBDII module, docking station, mains plug, USB cablePackagingCloth bagServiceALLIGATOR Service-HotlineUpdate support1 year free of charge	Bundle content	24 x ALLIGATOR sensors & valves
mains plug, USB cable       Packaging     Cloth bag       Service     ALLIGATOR Service-Hotline       Update support     1 year free of charge		
Service     ALLIGATOR Service-Hotline       Update support     1 year free of charge	Bundle part number	9-590940 Multiple programming of several sensors simultaneously, wall mount with integrated Qi inductive charging function + integrated mount for the BT OBD II module, one-handed operation for right-handed/left- handed users, Bluetooth OBD programming module, status LED + buzzer in BT OBDII module - buzzer warns about loss of BT OBDII module
Update support 1 year free of charge	Bundle part number Functionality	9-590940 Multiple programming of several sensors simultaneously, wall mount with integrated Qi inductive charging function + integrated mount for the BT OBD II module, one-handed operation for right-handed/left- handed users, Bluetooth OBD programming module, status LED + buzzer in BT OBDII module - buzzer warns about loss of BT OBDII module in vehicle OBDII module, docking station,
	Bundle part number Functionality Accessories	9-590940 Multiple programming of several sensors simultaneously, wall mount with integrated Qi inductive charging function + integrated mount for the BT OBD II module, one-handed operation for right-handed/left- handed users, Bluetooth OBD programming module, status LED + buzzer in BT OBDII module - buzzer warns about loss of BT OBDII module in vehicle OBDII module, docking station, mains plug, USB cable
	Bundle part number Functionality Accessories Packaging	9-590940 Multiple programming of several sensors simultaneously, wall mount with integrated Qi inductive charging function + integrated mount for the BT OBD II module, one-handed operation for right-handed/left- handed users, Bluetooth OBD programming module, status LED + buzzer in BT OBDII module - buzzer warns about loss of BT OBDII module in vehicle OBDII module, docking station, mains plug, USB cable Cloth bag
Update extension         +1 year extension available	Bundle part number Functionality Accessories Packaging Service	9-590940 Multiple programming of several sensors simultaneously, wall mount with integrated Qi inductive charging function + integrated mount for the BT OBD II module, one-handed operation for right-handed/left- handed users, Bluetooth OBD programming module, status LED + buzzer in BT OBDII module - buzzer warns about loss of BT OBDII module in vehicle OBDII module, docking station, mains plug, USB cable Cloth bag ALLIGATOR Service-Hotline
PC software TPMS Desktop	Bundle part number Functionality Accessories Packaging Service	9-590940 Multiple programming of several sensors simultaneously, wall mount with integrated Qi inductive charging function + integrated mount for the BT OBD II module, one-handed operation for right-handed/left- handed users, Bluetooth OBD programming module, status LED + buzzer in BT OBDII module - buzzer warns about loss of BT OBDII module in vehicle OBDII module, docking station, mains plug, USB cable Cloth bag ALLIGATOR Service-Hotline
