

MOUNTING PASTE TRANSPARENT

POWER CLEAR

with a pleasant citrus scent

- Very high lubricity**

Saves effort and time and protects the rim – for effortless (de-)mounting.

- Dries without residues**

Perfect finish without tedious re-cleaning.

- Firm tyre fit**

Tyre migration is prevented by force-locking between rim and tyre.

Color	White
Contents Packaging	5 kg Bucket
Lubricity	● ● ● ● ●
Drying behavior	● ● ● ● ● (ideal for demanding or parallel installations)
Drying result	Transparent, residue-free
Application temperature	-15 to +50°C
Storage temperature	+5 to +30°C
TPMS compatibility	TPMS compatible
Material compatibility	Chemically neutral toward rubber, steel, and aluminum
Environmental compatibility	Biodegradable; Vegan
Vehicle type	Passenger cars, sports cars, electric cars, vans

Viscosity	Soft	Universal	Hard
Article number	3402-0503-003	3402-0505-003	3403-0507-003
Brush stroke	● ● ● ● ●	● ● ● ● ●	● ● ● ● ●
Application	Large surfaces	All-purpose	Precise application
Coverage	approx. 350 tyres	approx. 400 tyres	approx. 450 tyres
Application temperature	<i>Highly effective paste thanks to a special formula. Sparing application recommended.</i>		
Application temperature	Cold	Medium	Warm
